Phone Kelly on 0439 722 985 or e-mail rsvp@raisingdust.com.au to book your place or for more info before Friday 29th of January. Get in quick as places are limited.

Raising Dust is a network of young people (18-40yrs) who live and work in the Western and Wimmera districts of Victoria. Formed as an initiative to create and expand social and professional networks between young rural people, the Raising Dust phenomenon is now exploding with fun social events, professional development sessions and loads of friends, fun and frivolity. For more info visit www.raisingdust.com.au
